

# VOLUNTEER WITH POD - BRING 3

Sunday school is the most important single thing we can do to reach our community. The word "Teach" appears 109 times in the Bible. We are all called to teach with the anointing of God. As we teach we should be recruiting others to share this passion to reach our community. List 12 people you think would make great teachers this year. Commit to praying for at least 3 of those to mentor by the end of 2025.
